

Rotherfield Greys through Lambridge Wood and Earl's Wood

8 April 2026

Class: Moderate; Distance: 7.7miles (12.4 km); Total Ascent: 614 feet (187 metres)

The walk starts with a steep downhill through woodland and then goes along the valley bottom before climbing up through fields. The walk goes through several woods with some ups and downs, including one short steep climb. There are several great views as between the woodlands. Part of the walk is on the Chiltern Way. There are four stiles near the start of the walk, all in good condition and fairly low.

Start: St Nicholas Church, Rotherfield Greys
